

# *Lisle's Children's Toy & Clothing Resale*

## *Fall & Winter Allowed & Not Allowed Items*

We are committed to providing our community with quality used goods at the Resale and as such request that you are mindful as to what you bring to sell.

### **Articles that have imperfections or are outdated are not allowed.**

Shoppers that are impressed with the items being sold at the Resale are likely to buy more and tell their friends. A win for the students at Lisle Elementary School and for you!

Returning sellers that intend to sell items from previous sales should review them ahead of the resale to be sure they meet the criteria listed here. It may be that, while sitting in storage, items become damaged or outdated over time. **We recommend checking your items in a room with plenty of bright light!** Stains that may not be visible by lamp light or typical home lightbulbs will show up in the harsher lights of the LJHS Cafeteria and gym.

Sellers are responsible for ensuring items that have been recalled are not sold at the Resale.

*All items will be reviewed by committee members and are subject to their discretion for admittance into the resale. Please be respectful and do not argue with our volunteers if they tell you an item cannot be put on the floor.*
